

**TANDEM 2014-15**  
**Learner Contract / Lernvertrag**

Name: Lennart Wissel

Student ID / Matrikelnummer: 1502856

Target Language / Zielsprache: English

Date / Datum: 19.01.2015

**Aims and objectives up the end of semester 1 [ ] and / or semester 2 [x]\***  
**Lernziele bis zum Ende von Semester 1 [ ] und / oder Semester 2[x]\***

- Improve my pronunciation in everyday conversation
- Developing a wider spoken vocabulary
- Being able to grasp novel literature/films and reflect on it in spoken language
- Improve reading skills in sophisticated literature (eg. philosophical essays)
- Develop understanding of the english political system and view on the EU
- With the help of historical content aim for a deeper understanding of english culture and self-image of the UK (eg Irish independence, partition and devolution...)

**Methods / Methodik**

- Setting smart goals for each week and having reflection/debriefing after those.
- Setup of meetings: Reflection on previous weeks achievements followed by the new content and concluded by a vista of the next week
- having a variety of different methods: Projects / presentations / discussion sessions / group activities / paper based evaluation / multimedia / self-study / field-work and real life experience

**How will I prepare for our meetings? / Wie werde ich mich auf die Stunden vorbereiten?**

- Look at the contract and/or the previous weeks contents, think about the next sessions goals or remaining previous parts and be creative about the method and topics. Note the goals for the session and consider changes in the method due to feedback given in the previous meeting.
